MAHARAJA SIR RAMESHWAR SINGH OF DARBHANGA UNIVERSITY LIBRARY.

Babu Joykissen Mookerjee, of Ooterpara, made a donation of Rs. 5,000 to the University, on the 20th July, 1869, for the purpose of forming a Library. The amount was invested in 4 per cont. securities till the completion of

the University building.

In 1874, the sum of Rs 3,500 was added to the Library Fund from the surplus income of the University of that year; and the Syndicate, having thus at their disposal more than Rs. 9,000, appointed a Committee to report on the steps it was advisable to take to form a Library. The Committee reported (see Minutes, Vol. XVIII, page 22) that they thought "it desirable to begin with procuring such books as shall render the Calcutta University Library Supplementary to other Libraries now existing in Calcutta". The general principles laid down by the Committee, and the mode of procedure they proposed for adoption, were approved by the Syndicate; and further transfers have, from year to year, been made to the Library Fund from the surplus income of the University. Several instalments of books have been received, and the Library now contains besides English works of reference, and the chief authorities on Indian antiquities, fairly complete sets of the Sanskrit, Arabic, Latin, French and German classics.

In 1908 the Hon'ble Sir Rameshwar Singh, K.C.I.E., Maharaja, Bahadur, of Durbhanga, made over to the University a sum of two and a half lace of rupees for the crection of a building in which the Library might be located. This munificent gift was accepted by the Senate with thanks, and it was decided to name the Library attra the Maharaja, who was subsequently nominated an Honorary Fellow for life as an eminent

benefactor of the University.

The following Rules have been approved by the Syndicate:-

RULES FOR THE MANAGEMENT OF THE UNIVERSITY LIBRARY UNDER SECTION 5, CHAPTER XXVIII OF THE NEW REGULATIONS.

1. The Library is for the use of Resident Fellows of the University and of Resident Registered Graduates, and they alone have the privilege to use it, subject to the present rules and to such further rules and orders as may be agreed to by the General Committee under Regulation 5(1).

2. (a) Persons who are neither Resident Fellows of the University nor Registered Graduates may receive special permission from the Syndicate to use the Library for the purpose of Literary or Scientific Research. Such permission will be granted only on the recommendation of the Executive Committee.

(b) In recommending any person to the Syndicate under this rule the Executive Committee shall specify in writing, for the information of the Syndicate, the grounds on which they base their recommendation.

3. Subject to the exceptions specified in Rule 5, Resident Fellows, Resident Registered Graduates and such other persons as are allowed to

 \mathbf{II}

(a) In this rule the term "volumes" shall include pamphlets and parts of works separately sewn.

(b) Resident Fellows will be outsitled to take out up to ten volumes at a tune.

(c) Under special circumstances Resident Fellows may, with the sanction of the Executive Committee, take out more than ten volumes.

- (d) Resident Registered Graduates will be entitled to take out not more than four volumes at a time, and in order to be allowed this privilege will have to make a deposit of Rs. 25. The Registrar may, in the case of specially valuable books, and with the sanction of the Executive Committee, ask for a special deposit.
- (c) Persons who are allowed to make use of the Library under Rule 2, and who reside at Calcutta, may take out books on the same co. ditions as Resident Registered Graduates.

(f) University Protessors, Readers and Lectures will, during the time they hold office, be entitled to the same privileges as Resident Registered Graduates.

(g) No book shall be issued and delivered except to the authorised borrower in person, or to some one having written authority from him to receive it on behalf of the authorised borrower.

(h) Every volume borrowed shall be returned to the Library within two calendar months of the date on which it was removed from the Library. In case any borrower fails to return any book within this period, a notice shall be sent to him by the Librarian calling for the return of the book.

(c) If a book called for under the previous section be not returned within one week after the receipt of the Librarian's notice, the person who has borrowed the book from the Library shall be subject to a fine of one rupee for each volume so retained, and to a further fine of an equal amount for each additional week that he may retain it after the expiration of the second week.

(1) Subject to the provisions of Rules 4, 5, 6 and 7, a book returned to the Library may be again becrowed by the same person, provided that no other Fellow or person entitled to use the Library has ledged with the Librarian an application for the same work. If such application has been made, the book may not be taken out by the original borrower until returned by the second applicant.

4. The privilege of any Fellow or other person to use the Library shall be suspended so long as he retains any book which, under these rules, he is not entitled to retain, or so long as he leaves unpaid any fine which may have been imposed on him under Rules 3, 6 and 7.

Committee deputed by them for that purpose.

(b) During this period of inspection the Library shall be closed, and all books whatever and by whomsoever borrowed shall be returned to the

Library by the 31st March of each year.

(c) Any person who fails to return, in accordance with this rule, all books borrowed by him shall be subject to a fine of not less than two rupees for each volume retained; and if such volume is not returned before the expiration of one week after the list day of inspection, a turther fine of an equal amount shall be imposed for each volume for each additional week until that volume is returned or until a copy of the same edition and of equal value is placed in the Library in its stead, and all expenses connected therewith paid by the borrower.

8. The Library shall be closed on Sundays and all public holidays and on all days for holding public examination. Subject to the exception under Rule 7, it shall be open on other days between the hours of

Mughli College.

AFFILIATED, 1857.

This Institution was founded in 1836, and was originally supported from tunds bequeathed by Muhammad Moshin, a wealthy Muhammadan gentleman, who dying without heirs in the year 1806 left his large property. yielding an annual income of Rs. 45,000, to Muhammadan Trustees "for the service of God." Owing to the misappropriation of the funds Government assumed the office of Trustees. The right of assumption was opposed by the original Trustees, but upheld both by the Courts in India and by the Privy Council in England. The period of litigation extended over many years, during which the annual income accumulated, forming a surplus of Rs. 8,61,100. The surplus was devoted to the foundation and endowment of the Hughli College, and was further increased by a portion of the original zemindarce that became available on the death of one of the Mootawalloes of the Hughli Immambarah, an Institution which also derives its support from Muhammad Mohsin's legacy. The College endowments were further increased by the accumulation of unexpended revenue until the income amounted to Rs. 51,000 per annum. In 1873 the Government of India resolved to transfer the whole of the Moshin endowment to the purpose of Muhammadan education throughout Bengal and accordingly increased the provincial assignment for education in Bengal by Rs. 50,000 a year, in order to meet the expenses of the Hughli College which has now become an Institution maintained by the Government.

The College consists of three Departments,—an English, an Arabic, and a Law Department,—and is under the control of the Director of Public Instruction, Bengal. The English Department is open to all students who have passed the University Entrance Examination, the fees being three rupees per mensem for Muhammadans and Rs. 6 for all others. For the B.A. provision will be made for teaching English, Sanskrit, Persian, Mental and Moral Science, History, Political Economy and Political Philosophy, Mathematics, Physics and Vernacular Composition.

There are Hindu and Muhammadan Hostels connected with the College, the Boarding fee of the former is Rs. 5-8 per mensem, and in the latter Rs. 3-8, subject to enhancement, according to enhanced rates of food articles.

Brishnagar College.

Affiliated, 1857.

This College was founded by Government in 1845, and is under the control of the Director of Public Instruction, Bengal.

Any person who has passed the University Entrance Examination may

be admitted. Students pay a monthly fee of Rs. 5.

The College is a handsome building, standing upon 3 bigahs of land, surrounded by an enclosed compound of upwards of 100 bighas. It was erected in 1856 at a cost of Rs. 66,876, Rs. 17,000 of which collected by private subscription. In consideration of the liberality thus manifested in the district, the donor of Rs. 1,000 is allowed to place a boy, free of expense at the College in perpetuity, and another for every Rs. 500 additional he may have subscribed. There are thus 13 free-studentships. Part of the ground occupied was purchased by Government; for the remainder, the College is indebted to the munificence of the Maharaja of Nuddea and the Maharani Swarnamayi, C.I., of Cossimbazar.

In 1871, the B.A. classes (the third and fourth year classes) were abolished by Sir George Campbell, then Lieutenant-Governor of Bengal: and for some years the College only afforded instruction up to the First Examination in Arts. In 1875, however, Sir Richard Temple, on the petition of the chief inhabitants of the district, consented to restore the College to its former status, provided that a considerable share of the increased cost was subscribed by the community. A sum amounting to more than Rs. 40,000 was subscribed during the year, and with this endowment the College was re established on its orginal footing. Classes for the A course for the B.A. were opened in June, 1888

A prize of Rs. 80, founded by Babu Mohinimohan Ray, in 1883, and called the Mohinimohan Ray Prize, is awarded annually to the student who most successfully passes the B.A. Examination with Honours, or to a graduate of the College who passes the M.A. Examination in any subject.

Another prize of Rs. 8 founded by Babu Syamacharan Maitra and called "Smith and Macdonell Prize" is annually awarded to the student who most successfully passes the F.A. Examination, and prosecutes his studies for the B.A. Examination in the Krishnagar College.

College Endowment Funds now amount to Rs 46,000.

There is a Hindu Hostel attached to the College, which is under the direct control of the Principal and is managed by a Superintendent who is also the Gymnastic Master of the College.

Brishnath College, Berhampur.

(Late Berhampur College.)

Affiliated, 1857.

The older Gazetteers are unanimous in recording that a "British" College was founded in Berhampur in 1826, but the College, as we know it was opened in 1853. The foundation-stone of the building, one moiety of the cost of which was paid by the community, was laid in 1863, and the building came into use in 1869, when the Institution became a first-grade College in Arts. A Law Department had been added in 1864. The status was, however, reduced in 1872 to that of a second-grade College, and the Law Department was abolished in 1875. The Institution again became a first-grade College with a Law Department attached in 1888. It is open to all classes of the community.

In pursuance of the policy recommended by the Education Commission, and adopted by the Government of India, the Bengal Government decided in 1886 to transfer the Berhampur College to private management. The munificent offer of the late Maharani Swarnamayi, C.I., of Cossimbazar to maintain the College for five years was accepted. Accordingly by a Bengal Government Resolution, dated the 14th May, 1887, the control of the College, administrative and financial, was vested in a Board of Trustees. Since the Maharani's death in 1898, the College has been financed by her nephew and successor, Maharaja Manindra Chandra Nandy. In 1905 the College was handed over by deed of transfer to the Hon'ble Maharaja Manindra Chandra Nandy of Cossimbazar, with a Board of Management consisting of the Maharaja as President, the District Judge, the District Magistrate, and the Inspector of Schools, Presidency Circle, as ex officio Members; and Babu Boikuntanath Sen.

The General Assembly's Enstitution, Church of Scotland Mission, Calcuita.

Affiliated to Calcutta University, 1864.

This Institution was established in 1830 by the General Assembly of the Church of Scotland. It is the oldest Institution of the kind in India, for it was here that the system, now all but universally followed, was first tried—of imparting the highest form of knowledge, including Religious Instruction, through the medium of the English language.

The new system was introduced by Dr. Duff, who began his missionary labours by founding this Institution. Valuable help in the way of procuring pupils was given at the commencement by the well known Rajah Ram Mohun Roy. The success of the Institution soon surpassed all expectations. The Governor-General declared publicly that it had produced "unparalleled results." After having been carried on for some years in various hired premises, the Institution was removed in 1839 to the present building in Cornwallis Square.

The Rev. Alexander Duff, M.A., D.D., was Principal of the Institution, from its foundation until 1843, and the Rev. James Ogilvie, M.A., D.D., from 1846 until his death, in 1871. He was succeeded by the Rev. Robert Jardine, M.A., Ph.D., who retired in 1876. The Principals since then have been Rev. William Hastie, M.A., D.D., the Rev. William Smith. M.A., the Rev. John Morrison, M.A., D.D., and the Rev. A. B. Wann, M.A., B.D.

The General Assembly's Institution is divided into two Departments-

the College Department and the School Department.

In the College Department, the students pay a monthly fee of Rs. 5 each. The regular subjects of the Calcutta University curriculum are taught, also the doctrines and the evidences of the Christian religion.

In the School Department, pupils pay fees from 12 annas to Rs. 3 a month—Careful attention is given to instruction in religious knowledge

A Hostel for students of the College has been built at 71-1, Cornwallis Street, called The Lady Jane Dundas Hostel, after a lady whose legacy of \$1,000 left in the hands of the Rev. Dr. MacGregor, Edinburgh, was assigned by him to the Hostel. It accommodates 66 students, who pay from Rs. 13 to Rs. 16 per mensem.

Ripon College.

Affiliated, 1884.

This Institution was originally established as a School under the name of the "Presidency School" in January, 1880. It continued for two years under the management of a Committee; and in January, 1882, the management passed entirely in the hands of Babu Surendranath Banerjee, who has since been the sole proprietor of the Institution. It was affiliated up to the F.A. Standard in January, 1884, when the name was changed into the "Presidency Institution," which, however, was again changed into the present name in December, 1884. In 1885 it was affiliated up to the B.A. and B.L. standards of the Calcutta University.

The object of the Institution has been from the beginning to impart education to students of all classes of the people, without distinction of creed or colour, at moderate and convenient rates of fees; and further, the authorities have always sought to impart such education as would embrace, not only intellectual training and the proper enforcement of discipline, but also the improvement of character and the heathly development of the emotions.

The Institution consists of two Departments, viz., the General and the Law. The General comprises the Collegiate Arts classes and the School

Department which includes a vernacular section. The law consists of B.L. and Pleadership classes. Besides, there are special classes, such as the Gymnastic class and the Drawing class, which are attached to the General

Department.

There are four classes in the Law Department, two teaching the full course of study prescribed for the B L. Examination, and two teaching the course for the Pleadership Examination; and four Collegiate Arts classes teaching up to the B.A. Standard of the Calcutta University; and there are nine graduated classes in the School Department, including a vernacular section for the tuition of infants.

The rates of fees for the F.A. classes are Rs. 3; those for the B.A. and B.L. classes, Rs. 4; of the Pleadership classes, Rs. 3; and of the School De-

partment varying from Rs. 3 to annas 8.

The Central College, Calcutta.

AFFILIATED, 1896.

This Institution was founded as a Higher Class English School, under the name of the "University Institution," on the 2nd June, 1893. The name, however, was shortly changed, and the Institution was recognised by the University of Calcutta under the name of the "Central Institution," which was altered again in 1896, into the one it at present bears. The unexpected success of the school, within a short period of its starting, and the connection of a number of experienced educationists with its teaching staff, led to its being raised to the status of a Second Grade College in June, 1894.

The results for 1895, both at the Entrance and F.A. Examinations having still further improved the prospects of the Institution, an application was made for its affiliation up to the B.A. Standard of the University, and it attained to the status of a First Grade College in January, 1896, and completed the full period of five years for which it was stipulated to be maintained under a certain constitution, in June, 1901.

The Institution is not supported by any private subscription or other aids, and its proprietary rights are absolutely in the hands of its founder, Babu Khudiram Bose.

Since the enforcement of the New Regulations of the University, the management of the College and the Collegiate School has been vested in a regularly constituted governing body, with Babu Chandra Nath Bose, M.A., B.L. (*President*), Babu Shama Charan Ganguli, B.A., and S. P. Sarbadhicary, Esq., M.D. (*Vice-Presidents*). C. H. Linton, Esq., M.A., and Babu Jodu Nath Ghose, B.L. (*Members*), and the

Principal of the College (Member and Secretary).

The object of the Institution is to provide an Unaided College in the northern part of the city for students of moderate means and resources, combining physical and moral training with the type of intellectual training adapted to the requirements of the University. Attention is paid to proper enforcement of discipline by precept and example, and examinations and exercises are held frequently, both in the School and College Departments. Both the third year and fourth year B.A. classes have been at work since June, 1896, several among the many graduates from this Institution have graduated with Honours in the course of these years: and the percentage of F.A. successes for 1907 has been exactly 50, and that of B.A. (A Course), close upon that figure. Monthly returns, showing the progress and conduct of the pupils in the School Department, are sent to the guardians, whose suggestions in this connection are cordially received.

The rate of monthly tuition-fee in the College Department B.A. classes is ordinarily Rs. 4; in the F.A. or Intermediate in Arts and the higher classes of the School Department, Rs. 3; in the lower forms, Rs. 2-8 and Rs. 2; and in the Infant Department, Re. 1. The fee for admission to any class of the School Department is equal to a month's tuition-fee for the same.

A number of scholarships named "Diamond Jubileo Scholarships," P. K. Lahni Scholarships," to be awarded annually to such students of the Institution as would pass with distinction the B.A., F.A., and Entrance Examinations of the University, have been provided for, in addition to a lot of School Annual (Victoria Memorial) and College Monthly Examination (Vidgasagra, Memorial) Scholarships determined by the results of these examinations. Two silver medals, named "Durgachuran Sarcar Medal" and "Gaganchandra Bose Medal," are to be awarded by the Proprietor of the Institution, the one in memory of his youngest brother, and the other in memory of one of his distinguished pupils in another Institution, to two such students of the College Department as would secure a Duff Scholarship or the highest number of marks in Logic, at the F.A. or Intermediate in Arts Examinations of the University for any year.

Brajamohan Enstitution, Barisal.

This Institution was founded as a higher class English School on the 27th of June 1884, by the late Babu Brajamohan Datta, Small Cause Court Judge of Nuddea, at the request of the District Education Committee which had been instructed by the D rector of Public Instruction to secure the establishment of a private school, as the number of students in the Barisal Zila School had at that time exceeded 600, and the buildings were found too small for the accommodation of so many boys. Babu Brajamohan expressed a wish to raise the Institution to the status of a Second Grade College, but it could not be fulfilled on account of his sudden death. His sons, Babu Aswinikamar Datta and the late Babus Kaminikumar Datta and Jaminikumar Datta, encouraged by the unexpected success of the Institution, and with a view to carry out the wishes of their deceased father, added the College classes, which have been affiliated up to the F.A. Standard of the Calcutta University since June, 1889, and to the B.A. and B.L. Standards since July, 1898.

The object of the Institution is to give to the students intellectual, physical and moral training without reference to sect or creed. Particular attention is paid to the enforcement of discipline.

Quarterly statements, showing the progress and conduct of the pupils in the School Department, are sont to their parents for their remarks and

suggestions.

A Scholarship of Rs. 10 a month, named "The Bell Scholarship" after, Mr. N. D. Beatson-Bell, B.A., I.C.S., tenable for two years in the B.Ar classes of this Institution, is awarded to the student who passes the F.A. Examination in the first division and fails to secure a Government Scholarship.

A Silver medal founded by Babu Chandra Sekhar Cupta, late Treasurer of the Currency Office, is awarded to the student who stands first among the successful Entrance candidates, provided he continues his studies in the F.A. classes of this College.

The tuition fee in the College Department is Rs. 3 a month.

The Bhumihar Brahman College.

Affiliated, 1899.

This College was founded in July, 1899. It is the result of the zealous efforts of the local Bhumihar Brahman community to remove the crying want of a College at Mozufforpjir, which had long been felt by the public of the place. With this view the Bhumihar Brahman Sabha met in March, 1899, and discussed the most feasible way of accomplishing their object. The authorities of the Society's High School, which was founded by the late Nawab Imdad Ali Khan, Bahadur, very generously came to their help and made over the School to the Sabha. The Sabha thereupon resolved to establish a College at Mozufferpur, and took the aforesaid Institution as its feeder. The College has been fortunate enough in enlisting the warm sympathy and support of many public-spirited gentlemen of the town on its behalf. The object that the Sabha has in view, in founding this College, is the placing of the benefits of higher education within the reach of the students of North Behar, and the imparting of moral and physical training to them.

The College was first started, as a second grade one, on the 3rd July, 1899. A pplication was made in June, 1900, for the affiliation of the College to the Calcutta University, up to the B.A. Standard. The Syndicate was pleased to recommend the affiliation, and the Governor-General's final

sanction was obtained in the first week of the current year.

A sum of Rs. 50,000 has been set apart in trust for the maintenance of the College, and a registered trust deed, executed by Chodhri Mohanth Raghunath Dass, Zemindar of Jaintpur, Rai Purmeshwar Narayan Mahtha, Bahadur, Bahkor, Babu Langat Singh, Zemindar, and Babu Jugeshwar prasad Singh, Pleader, was submitted, along with the first petition for affiliation, to the Syndicate. Soon after the founding of the College it became apparent that Babu Langat Singh alone was to bear the whole of the expenses of the College. The trust fund in hand has consisted solely of his own donation, and nobody else came forward to help the College financially. Hence it is a fact that Babu Langat Singh alone has been supporting the College from its very beginning, and he is therefore the proprietor of the Institution.

The College has been furnished with a fine Laboratory and a well-stocked Library. It is proposed to establish a hearding-house in connection with the College as soon as possible for the benefit of mofussil students, in which poor boys will be allowed free board and lodging.

The tuition fee for the College classes is Rs. 4, and that in the School

Department varies from Rs. 2 to As. 8 a month.

One scholarship of Rs. 8 and six others of Rs. 4 each have been awarded to deserving students of the College Department. One of the six Scholarships of Rs. 4 each is called the "Fraser Scholarship," in honour of the Lieutenant-Governor's visit to the College in January, 1904, and the others are also named after distinguished official visitors during the year,

As no eligible students have been found, none of these scholarships have been awarded during the present year.

Three free studentships and three half-free studentships have been granted to deserving poor boys at the commencement of the current session.

XXXI.

Mesteyan College, Bankura.

AFFILIATED, 1907

This College was established by the Wesleyan Mission, in June 1903, partly because of the success of the Mission High School, known as the Kuchkuchia High School, but chiefly because of the great demand for higher education in this part of Bengal. There being no college within a radius of sixty miles, and Bankura having a dry and healthy climate, it was considered to be in every respect a most suitable centre for such an institution. The need of a College, in this neighbourhood, has been amply justified by the number of students that have joined during the last five years. Its success has been 50 gratifying, both numerically and educationally, that the authorities have asked the university to affiliate the institution up to B.A. in Arts, which privilege has been granted. The privilege of affiliation would have been granted at a earlier date, but owing to the reorganisation of the University the delay was unavoidable. Though at present, affiliated in Arts only, provision is being made for the teaching of Science, and the University has been asked to give permission to commence classes in Chemistry in June of thenext session.

Great difficulty has been experienced in obtaining a suitable site for the new additional buildings to be erected, but an excell ent property of 115 bighas has at last been acquired. On this site a new College building, houses for Principal and professors and Hostels for Hindu and Christian students are being erected. At present only F.A. classes are being held, B.A. classes will be opened in Juve of the present year in

the new College building

The aim of the College is to give a sound, healthy education, based on high moral and Christian principles; and to this end cramming is discouraged and Scripture is taught systematically in both School and College. Manly outdoor games are encouraged and the new College recreation ground is largely patronised by both students and boys.

Thera te of fees in the College classes is at present Rs. 5 per month in the B.A. and Rs. 4 in the F.A. Classes; in the school it varies from

Rs. 2 to 8 annas.

Burdwan Baj College.

AFFILIATED, 1882.

This Institution, since its first establishment in 1817, has been one of slow but steady growth. True to its mission of supplying the demands of the public of Burdwan for education in the modern acceptation of the term, it has always kept pace with the real wants of the place. Started as an Anglo-Vernacular School imparting rudimentary education, which satisfied the intellectual craving of the Burdwan people of the early days of British rule in India, it passed through different stages of improvement, developed various phases of usefulness, and at last attained a recognised position as a Second Grade College in 1881.

The educational establishments of His Highness the Maharaja Adhiraj Buhadur divide themselves at the present time under five heads:—

First, the College Department, which is open to all students that are matriculated in the Calcutta University, teaching up to the F.A. Standard. The monthly tuition fee is Rs. 4, but there are numerous free-studentships and half free-studentships awarded to deserving pupils.

Second, the School Department, serving chiefly as a feeder or tributary to the above, preparing students for the Calcutta University Entrance Examination.

Third, the Persian Department teaching, amongst others, those boys of the first two Departments that take up Persian as their second language.

Fourth, the Sanskrit School, imparting instruction in the orthodox native style to those whose religious scruples prevent them from availing them selves of the advantages of the English School.

And fifth and last, the Girls' School, the present provision in connection with which, though meagre, is more than sufficient to meet the requirements of female education as it is understood at Burdwan. All these Departments are under the control of the Principal.

The disbursements in the different Departments aggregate annually about Rs. 19,728, they being mainly met by the munificent charity of His Highness the Maharaja Adhiraj Bahadur.

Several boys, in consideration of their extreme indigence, are found in money, besides provided with free tuition.

Three Scholarships of Rs. 10 per mensem each, and tenable for two years, are annually awarded to the best amongst those successful F.A. candidates from the College who fail to secure Government Senior Scholarships, to enable them to study for the B.A. Examination.

Mitarpara College.

AFFILIATED, 1887.

This College is the final outcome of the long-continued efforts of the late Babu Jaykissen Mukerji in furtherance of the cause of English education in Bengal In 1846 he had a Government School opened at Uttarpara on the basis of an endowment by him and his brother, the late Babu Rajkissen Mukherji, of Rs. 1,200 a year, and a Government assignment of equal value. The School prospeced, and wen its way to the front rank among the schools in Bengal.

Babu Jaykissen's wish was that his school should ultimately expand into a College, and to this end, so long as the year 1853, he asked Government to raise the school to a first class College, offering to contribute an equal sum with Government towards the maintenance of the College. In 1883 he submitted a proposal for the conversion of the school into a Second Grade College, offering to make an endowment for its support so that it may cost the Government nothing. The recently initiated educational policy of Government stood, however, in the way of his proposal being accepted, and it was accordingly not accepted.

He finally went up to Government in April, 1887, with a proposal for the establishment of an aided College in connection with the old Government School. Government accorded him permission to open such a College, but on the condition that he took the school off the hands of Government. He agreed to do so, provided Government left the school the material advantages it derived from its connection with Government. It took some time to settle the terms of the transfer, which was formally effected in March. 1889. The College and the Collegiate School were then under the management of a Board consisting of the Collector of Hughly as President, of Gaja Pyarimohan Mukerji. C.S.I., and Babu Rasbihari Mukerji as representatives of the late Babu Jaykissen Mukherji, and of Babu Manohar Mukherji as representative of the late Babu Rajkissen Mukerji. But the Uttarpara School having been resumed by Government on 1st April, 1897, the College is entirely maintained and managed by its proprietor. Raja Pyarimohan Mukherji.

Armenian College.

Affiliated, 1888.

The College is incorporated with the Armenian Philanthropic Academy, a Day and Boarding School, which was established on the 2nd of April

1821, by influential members of the Armenian community resident in Calcutta, "for the education of our youth, both rich and poor." In 1813 Chatoor Moorathan bequeathed a sum of Rs. 8,000 towards the opening of such an institution, and his liberality was so supported by a large number of donations that, when the Academy was set on foot, it owned over Rs. 2,00,000.

Until the year 1883 the affairs of the school were administered by a number of Armenian gentlemen, who were styled Members of the Institution, and who elected four of themselves to be Managers. But in that year, under a decree of the High Court of Judicature at Fort William in Bengal, a schome was drawn up for the future regulation and management of the Academy. The funds of the school were placed in the hands of the Official Trustee of Bengal, and a Board of Managers was appointed.

The College keeps on its rolls about sixty foundationers of Armenian parentage. Some of these lads are provided for by the Armenian Association of Batavia; others by the Armenian Church of Calcutta; others under the Mary Apear Trust; others by the Burma ex-pupils; and others by the College itself. Besides these, pupils of all denominations are received as boarders and day-scholars on payment of the usual fees.

- 5. The following scale of fees is fixed for regular students who take up course additional to the full curriculum of a year (Section "Curricula," paragraph 2):-

		Ks.
(a) For a single course of lectures in one subject in one year	ı	40
(b) For attendance for three months in one departm	ent of	
hospital practice		30
(c) For attendance for three months at Practical Pharmac	ev	30

6. Casual students who wish to attend any course of lecture or any department of hospital practice may do so, with the permission of the Principal and Professor of the subject, on payment, in advance, of the fees fixed in paragraph 5.

7. Junior stipendiary scholarships and free tuition for one year are awarded to 10 students of the bond fide second year's curriculum on the results of the Test and Honour Examinations at the end of the first year.

8. Junior stipendiary scholarships, and free tuition for one year are awarded to 10 students of the bond fide third year's curriculum on the results of the Test and Honour Examinations at the end of the second year, but not unless they have passed the Preliminary Scientific Examination.

N.B.—By the term "students of the bond fide second and third year's "curriculum" is to be understood those students who have not failed in former Test Examinations of the first and second year, and who therefore

have not had to seek re-admission.

9. Sonior stipendiary scholarships and free tuition are awarded annually to 10 students of the bond File fourth year's curriculum on the results of the Test and Honour Examinations at the end of the third year, provided they have passed either the first M.B. or L.M.S. Examination. A student who has failed to pass the Preliminary Scientific Examination at the end of his second year cannot hold a scholarship in his third year. In the event of his passing a combined examination at the end of his third year, he will then be eligible to hold a senior scholarship. Senior scholarships, with free tuition, are tenable for two years, provided the holders pass the Test Examination at the end of their fourth year to the satisfaction of the Principal.

10. Holders of stipendiary scholarships of a value less than Rs. 20 per mensen are not required to pay the annual fee of Rs. 96 for the year in which they hold a scholarship. All other scholarship-holders shall pay the same fees as regular students, except female students who are exempted from the operation of this rule [Bengal Government Resolution (Educa

tion) No. 1285 of 28th March, 1895].

11. Students re-admitted to a curriculum after failure at Test Examinations or, in the case of third-year students, those who have failed in the first L.M.S. or M.B. Examination, will be required to pay half the annual fee in one instalment (i.e., Rs. 48), and an extra fee (i.e., for Dissection) of Rs. 6 in full.

12. Students who have passed the Test Examination of the second year, but have failed to pass the Preliminary Scientific, L.M.S. or M.B.,

and who therefore have to take up in their third year as extra subjects those in which they have failed, will be required to pay fees for those subjects at the following rates:—Rs. 20 for one subject, Rs. 30 for two, and Rs. 35 for three, in addition to the full annual fee.

13. A student who passes the Preliminary Scientific L.M.S. at the end of his second year, but for any reason, does not pass the Preliminary M.B. Examination, and who then wishes to pass himself for the Preliminary Scientific M.B. or combined M.B. Examination at the end or his third year, and has to attend the lectures in Chemistry, Botany, and Zoology, required for his examination as extra subjects, must pay fees in accordance with the proxision of paragraph 12.

The practice is, however, not recommended, and such students are advised to ask permission to revert to the second-year course of study.

14. A similar ruling applies to students who have passed the first L.M.S. at the end of their third year, but having failed to pass the first M.B., wish to present themselves for it at the end of their fourth year. They must attend the necessary lectures as extra subjects and pay extra fees, but they are advised to apply for permission to revert to their third year.

16. Students who fail at the final M.B. or L.M.S. Examination will pay fees for the subjects in which they have to reappear at the following rates:—Rs. 20 for one subject, Rs. 30 for two, and Rs. 35 for three, but without any annual fee.

17. These rules, with regard to the payment of fees after failure, may, in special cases, be relaxed by the Inspector General of Civil Hospitals, Bengal, on the recommendation of the Principal (Bengal Government

Order No. 263, Medical, dated 19th January, 1897).

18. No fees are charged to regular female students or to those of the Female Certificate Class.

19. Similarly no fees are charged to students of the Military Pupil Class.

20. In calculating the sum to be paid under Rule 9 "The Students."

the amount of the fees already paid by him as a regular student, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount, which would have been paid by him, had he been a paying student. shall be deducted.

21. Thus a regular student, leaving for Europe at the end of his second year, would, after enjoying for two years a stipendiary scholarship and free tuition, if he wished for the necessary certificates, be required to pay the following sum, calculated thus:—

Anatomy	course of first	t and se	cond ye	ar "		40+	40 = 80

- 22. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, *\hat{a}e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.
- 23. Students of the Military class and Female Certificate class requiring certificates in the same way, will be required to pay the rate of fees laid down in paragraph 5 for the full curriculum, or for such portion as they have attended. No deduction will be made in this case, as they are not free students in the sense in which that term is stefined in Bengal Government Resolution (Education) No. 601 of 7th December, 1880.

Promotion to a higher stage of the curriculum is dependent on passing the Test examinations.

Students of the first and second-year at the College Test examinations are expected to obtain a minimum of 40 per cent. in all subjects, but 30 per cent, in one may not debar them from being promoted to the second and third year's curriculum, respectively. Failure to reach this minimum will entail a further year's study before promotion.

Those who, after passing the College Test, fail at the University examinations, will be entitled, equally with those who pass it, to join the third-year curriculum, at the end of which the former will have to present themselves for the combined Preliminary Scientific and first L M S. or

M.B. examinations.

Those students who fail at the College Test examination of the second year will not be debarred from going up for the Preliminary Scientific. They will be encouraged to do so; but whether they pass or fail they will be relegated to the second year curriculum, provided that those who pass he University examination will not be required to attend the courses in those subjects in which they have passed.

8. Students of the first or second-year curriculum, who fail twice at the same stage to gain promotion to the next higher curriculum, will be

finally removed from the College.

Students of the third-year must present themselves for the first L.M.S. or first M.B. examination of the Calcutta University, or for the combined (paragraph 6 above). Those who fail at this examination will be relegated for a further year to the third-year's curriculum.

10. Those who fail to present themselves at the University examina-

tions without satisfactory explanation, render themselves liable to re-

moval from the College.

- 11. Students of the third-year who fail twice at the first L.M.S. or first M.B. will be liable to removal from the College. If the Principal thinks fit, they may be allowed to remain in the College and be relegated to the thirdyear curriculum on payment of fees at rates laid down (Section "Fees," paragraph 11). This concession may be repeated for any number of years at the discretion of the Principal.
- Students of the fourth-year curriculum must not only pass the College Test examinations, but must also show diligence and aptitude in clinical work, otherwise they will not be promoted to the fifth-year curriculum.
 - 13. Students of the fourth year curriculum who, at the College Test

examinations, obtain a minimum of 40 per cent. of the marks in three subjects, and 30 per cent. in a fourth (Section "Curricula") will be eligible for promotion to the fifth-year class. Those who fail to obtain this minimum will be relegated to the fourth-year curriculum for a further year.

14. Students who fail to pass the final L M.S. or M.B. examinations must attend a further course of lectures in the subject or subjects in which they have failed, in accordance with the University regulations, and must pay the necessary fees (Section "Fees," paragraph 16).

15. Students who have failed to pass the College Test and University examinations in regular course are not eligible for junior stipendiary scholar-

ships (Section "College Rewards").

16. Students of the fourth year curriculum will be allowed to compete for the medals, prizes and scholarships of the fourth and fifth years (Section "College Rewards," paragraphs 16 and 17).

17. The method of examinations for Honours is determined by each

Professor in consultation with the Principal.

MILITARY PUPILS.

18. The rules regulating the Test and Final examinations of the Military pupil class are those ordered by the Director General, Indian Medical Service, from time to time.

FEMALE CERTIFICATE CLASS.

19. Promotion to a higher curriculum is dependent on passing the Test examinations, at which the minimum of marks fixed in each subject must be obtained.

20. A student of the first year who obtains less than 30 per cent. of marks in any two out of the four subjects of the Test examinations will be

removed from the College.

21. A student of the second and third-year curriculum must obtain 40 per cent. of the marks in two subjects of examination (Test or Final) to be promoted to the higher curriculum. A student who fails to obtain 40 per cent. in two or 30 per cent. in one subject only will be relegated for a fur-

ther year's study to her present curriculum.

22. If a student obtains more than 30 per cent, but less than 40 per cent, of the marks in one subject, she will be eligible for promotion. She must, however, attend a course of lectures in the subjects in which she has failed in addition to the full curriculum of the year to which she has been promoted. She must pass the Test examination in that subject before being promoted. Repeated failure will entail removal from the College.

23. The same rules for the minimum percentage of marks accepted for the examinations of the second and third years apply to students of the

fourth year.

24. If a student of the fourth yeargains 30 per cent. and less than 40 per cent. in one subject only, she will be referred for a further course of study for one year.

HISTORY

HISTORY OF INDIA.

Administration and Progress of India under British Rule. A text-book on the subject is in course of preparation.

GEOGRAPHY.

No text-books have been recommended or prescribed.

Under section 3, clause (h), every school that intends to undertake instruction in Geography for the Matriculation Examination is required to possess the apparatus mentioned in the following list:—

- The total cost need not exceed Rs. 150.
 - 1 1 measuring tape.
 - 2 A magnetic compass.
 - 3. Squared paper and tracing paper.
 - 1 Clay, dry sand, paper pulp or plasticine for modelling.
- 5. A globe, not less than 14 inches in diameter, with writing surface, and with lines of latitude and longitude, and outlines only of the land-masses marked upon it.
 - 6 A map of the school locality on a scale of 4'' or 6'' = 1 mile.
- 7. A map of the district in which the school is situated on the scale 1* = 1 mile
- $\mathbf{8}_{s}$. A map of the Division in which the school is situated on the scale $\mathbf{1''}$ $\mathbf{4}$ miles.
 - 9. A map of the Province.
 - 10. A map of India.
- N.B. +All these maps should be coloured to indicate the height of the land above sea level.
 - 11. A relief map of India
- *12. Maps of India showing the most important distributions, e.g., Temperature and Rainfall, Density of Population, Forest, Pasture and Agricultural land, Minerals, Industries, Railways and Canals, Political Divisions.
 - 13. Physical maps of the continents and of the British Isles.

It is essential that the students should be provided with atlases, or with the necessary hand-maps. Maps for school work should not contain too much detail, or be crowded with names.

- 11.—The following additional equipment is recommended when it can be provided:—
 - 1. A wet and dry bulb thermometer.
 - 2. A barometer.
 - 3. A rain gauge.
 - 4. A large globe coloured to indicate land relief and ocean depths.
 - A relief globe.
 - 6. Small hand globes for the use of pupils.
 - Hand maps for use in class.
 - 8. A relief map of the Province.
 - 9. A map of the World on Mollweide's equal area projection.
 - 10. A geological map of India.
- 11. A small collection of typical rocks, in particular those of the Province and of India.
 - A small museum of typical products.
 - 13. The Statistical Atlas of India.
 - 14. A good standard atlas.
 - 15. A Meteorological Atlas.

- 16. Mill's International Geography.
- 17. A geographical Gazetteer,
- 18. Goographical wall pictures.

The total cost of this supplementary equipment need not exceed Rs. 400, and can be reduced if schools will make their own collections of rocks and typical products.

- Valuable information regarding geographical equipment and all other matters connected with the teaching of geography is to be found in the Geographical Teacher, the organ of the Geographical Association, pubhshed three times a year, at one shilling a copy.
- 2. Globes of all kinds are made by George Philip and Son, London, W., and A. K. Johnston, Lendon, and Messrs, Ruddiman, Johnston, London.

Small hand globes of German make can be obtained through the Cal cutta School Book Society for about a rupce each.

3. The "Comparative" series of large wall maps of the continents published by George Philip and Son is good and up to date; so also are the Orographical wall maps published by Edward Stanford. Mossis, Ruddiman, Johnston publish a series of smaller wall maps which includes maps of India illustrating various distributions.

Messrs Nelson's wall atlases are good. Mr. S. B. Chatterjee publishes

District maps; also ordinary and relief maps of the Province.

Babu L. M. Basu, the drawing master of the Dacca Collegiate School, has published good relief maps of Eastern Bengal and Assam and of India

The Vidal Lablache French wall maps on strong card board, named on one side, and the same map without names on the reverse, published by Armand Colin, Paris, are good and cheap. They measure 46 inches by 39 inches and can be delivered in Calcutta for Rs. 4.14 each.

4. The hand maps, coloured to indicate relief, published by the Diagram Company, West Basnes Lane, New Malden, Surroy, at one penny each, are the best of their kind.

The uncoloured half-penny maps, showing river systems and a few

towns, published by the same Company, are excellent for class use.

The Autograph hand maps, with hill shading in brown, published by Edward Stanford, London, at one penny each, are very good, and are larger than the Diagram Company's hand maps. The 15 inches map of the World on Mollweide's equal area projection is especially to be commended.

Wall pictures of considerable artistic merit are published by Edward Arnold of Leeds, Messrs, Hachette of Paris, and Messrs. Holzel of Vienna • They cost, delivered in India, from two to Messrs. three rupees each.

Map lantern slides, and view slides especially prepared for geography teaching, are sold by the Diagram Company for two or three shillings each.

6. The best meteorological atlas published in Britain is Bartholomew's and the most recent geographical gazetteer in English is that published by J. B. Lippincott of Philadelphia and London.

Note—The above list is not exhaustive, and much of it might be replaced by—apler forms that could probally be made far more cheaply by any elever mistry under proper supervision. In most cases, however, it will probably be found advantageous to be y such a set as indicated in the list specially for demonstration purposes, and subsequently to develop simplified duplicates, illustrating the same principles, which the boys should be given opportunity actually to experiment with on their own individual accounts or working in pairs.

A candidate who has thus passed will be allowed to have the marks which he may obtain in any optional subject added to his aggregate marks in the compulsory subjects, provided that he secures not less than one-third of the total marks in such optional subject. The total so obtained shall be used for determining the division in which each successful candidate shall be placed; those who obtain a total of 2,666 marks or upwards will be placed in the First Division and those between 2,000 and 2,666 marks in the Second Division.

INTERMEDIATE EXAMINATION IN ENGINEERING AND B.E. EXAMINATIONS.

GENERAL RULES.

The examinations shall be conducted in accordance with the following General Rules :-

1. No question shall be asked which would require an expression of religious belief on the part of the candidates; and any answer or translation given by any candidate shall not be objected to on the ground of its expressing peculiarities of religious belief.

2. Candidates shall give their answers in their own words as far as practicable in all subjects. This rule shall be inserted as a head note in

every question paper.

3. Examiners in setting papers shall be guided, as to the scope of the subject of examination, by the syllabus prescribed in the Regulations, and as to the standard and extent of knowledge required, by the books, if any, recommended from time to time for such purpose.

4. No copy of any examination paper is to be retained by the person

setting it
5. The papers set should be such as candidates can reasonably be expected to answer within the time allotted. The questions in each subject should be fairly distributed over the whole course in that subject, and should conform to the Regulations land down for the particular examination: there should not be any marked change of standard from year to year, but it is not required that the same type of questions should be set every year. Examiners shall always allow some choice of questions.

Questions should be so framed as to encourage good methods of 6.

work and teaching, and to discourage unintelligent memorizing.

7. The two Examiners appointed to set a paper in any subject shall be jointly responsible for the paper. The paper shall be divided into two balves, distinguished as the "First Half" and "Second Half." The answers to the First Half shall be looked over by one of the Examiners, and those to the Second Half by 'he other. The Practical Examination shall be conducted by the two Examiners jointly.

8. The Registrar shall, as soon as the results have been tabulated. prepare a list of the candidates who have failed in one group of subjects. only; in order to guard against any possible inaccuracy, their papers in the subjects of the group in which they have failed shall be re-examined on the method of marking arready adopted, and without any altera-

tion of the standard.

9. Examiners, in giving marks, shall take the correctness of the language of the answer into account.

10. Examiners, in giving marks. shall consider whether the answers indicate an intelligent appreciation of the subject or are merely the fe-

sult of unintelligent memory work.

11. In connection with all practical tests at the Intermediate and Bachelor of Engineering Exminations candidates shall submit to the Examiners note books, duly certified by the Professor, of the practical work, done by them during the College session. The Examiners may f they think proper, take these note books into account when awarding marks for such practical tests.

In answering any paper a candidate may use a slide rule, unless this has in any case been expressly forbidden by the Examiners setting the paper. Candidates who wish to take advantage of this permission shall bring their own slide rule. Mathematical tables will be provied when

and the same was also against the figure of the state and the same to the same to the same the same and the same the same the same the same that the same th

required.

Exammers are requested to place opposite each question in their

papers the full number of marks assigned to it.

13. The papers should be delivered by the Examiners in person to the Registrar or sent to him at the Senate House in a sealed double cover on or before a date to be fixed by the Syndicate.

14. Rolls in which the marks awarded are to be entered in the Examiner's hand-writing will be supplied by the Hagistrar on the day of examination, and the answer-papers duly marked should be returned to the Registrar along with the completed rells.

The total number of marks must, in every case, be a whole number. If the roll submitted by an Examiner contains fractional marks, it will be

returned to him for correction.

15. The rolls containing the results of the examination must be sub-

mutted on or before a date to be fixed by the Syndicate.

16. Examiners will be good enough to retain a duplicate of the roll and bring it with them to the final meeting of Examiners for the purpose of checking the marks.

17. As soon as possible after the tabulation of the results, the entire body of Examiners shall meet and draw up a report on the examination as a whole for the consideration of the Syndicate. If the Examiners are of opinion that, in the case of any candidate who has not attained the standard laid down in the Regulations for a Pass, consideration ought to be allowed by reason of his high marks in a particular subject or nrihe aggregate, they shall make a recommendation to the Syndicate, under Section 18, Chapter XXV of the Regulations.

18. As soon as possible after the publication of the results of the examination, the Examiners in each subject shall meet together and draw up a report upon the examination in that subject for the consideration of the Syndicate. The reports so submitted shall ordinarily embody such remarks and recommendations, suggested by the work of the candidates, as it is thought desirable in the interests of education to

communicate to the Heads of Colleges.

19. Examiners are required to keep the results of the examination and the marks assigned to candidates strictly secret.

Examiners will be expected to be present at the Senate House, Calcutta, during the examination in the subject for which they have been specially appointed.
